# GENERAL INFORMATION

**TIME** — Thursday, February 28, 1963. Sale will start at 12:30 p.m.

**LOCATION** — The sale will be held in the modern, heated sale pavilion on the fairgrounds at Appleton, Minn. Appleton is located on U. S. Highway No. 59 and has excellent paved roads in all directions.

**TERMS** — The terms of this sale are cash unless other arrangements are made in advance with the consignor from whom you purchase and the sale manager is notified of the arrangements. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

**GUARANTEE** — All cattle sold in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Association.

**LIABILITY** — Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerk, and sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises, and they accept no liability, legal or otherwise, for the buying contract or for any accident. Every effort will be provided for the comfort and safety of those attending this sale, but sellers or Minnesota Association officers and directors cannot accept liability for injuries that may occur. Accidents at cattle sales are rare, but all attending must do so at their own risk. Statements from the block will take precedence over information in the catalog.

**HEALTH** — All cattle are absolutely healthy in every respect and will have passed a tuberculosis and Bang's disease test within 30 days of sale. Health certificates will be furnished.

**CERTIFICATE OF REGISTRY** — A certificate of registry will be furnished with each registered lot and the certificate will be transferred to the buyer without cost to him. Application for registry, properly signed will be furnished for each calf sold beside its dam and for each unborn calf sold in dam.

**AUCTIONEER** — Dick Kane, Wisner, Nebraska.

**FIELDMEN** — Clarence Brown, Appleton; Al Hamann, Rock Rapids, Iowa; Ted Aegerter, American Shorthorn Ass'n, Omaha.

**SALE MANAGER** — Bill Stunkel, The Shorthorn World, 16 So. Locust Street, Aurora, Ill.

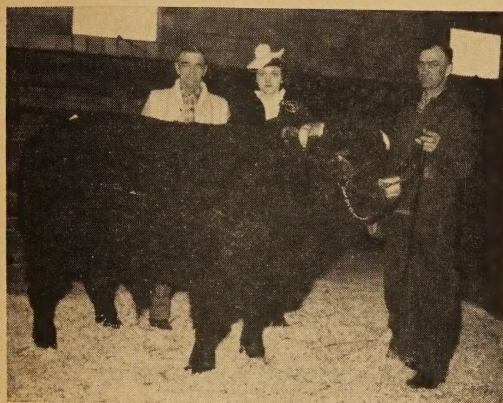

**VETERINARIAN** — Dr. Will Schleifer, Appleton.

**LUNCH** — The Appleton FFA chapter will have a lunch stand in the cattle barn.

**FOOTNOTES** — All footnotes have been written by consignors or prepared from information presented by consignors.

**LATE MAIL BIDS** — Address, phone or wire any of the fieldmen, the auctioneer, or sale manager, care of Appleton Motel, Appleton, Minn.

Harry and Arden Kraft pose with their 1962 champion sale bull at the Appleton Sale. He is a son of Deep Cove Scottish Monarch 3rd, represented in this sale with three sons and two daughters.

**VALIANT DIVIDEND** — Purchased in the 1960 Iowa Royal. One of the best sons of Sandoon Dividend, a smooth, meaty bull with a burly, masculine head and neck and a sound set of legs and feet. His dam was a top cow in the Gregg Dispersion and a granddaughter of the Perth champion, Calrossie Mercury.

## **WHY USE SHORTHORN BULLS ?**

John Catron, Camp Crook, South Dakota, turned a Shorthorn, a Polled Hereford, and an Angus bull with 120 cows. One hundred calves resulted. Catron did not guess — he weighed the calves.

### **THE BOX SCORE**

Sire	No. Calves	Av. Weaning Weight	Total Pounds
Shorthorn .....	47	330 lbs.	15,510
Hereford .....	34	306 lbs.	10,404
Angus .....	24	313 lbs.	7,512

John Catron, just like you, Mr. Cattleman, was interested in production of total pounds of quality meat. That's why he now is convinced of the advantages and reliability of Shorthorns. You, too, can harvest this kind of a crop by using Shorthorns.

Fontana Benbow . . . This bull and his sons have earned a reputation as sires of quality club calves. Lot 2 is a proven son of this thick-bodied, great quartered son of Beaufort Benbow. Another son sells as Lot 11.

## *Commercial Cattlemen . . .*

If you are in need of range bulls, then you won't want to miss this sale. A select offering of rugged, ready-to-use bulls that will sell at prices you can afford to pay.

# Why Buy Shorthorn Bulls?

## Best for Crossing . . .

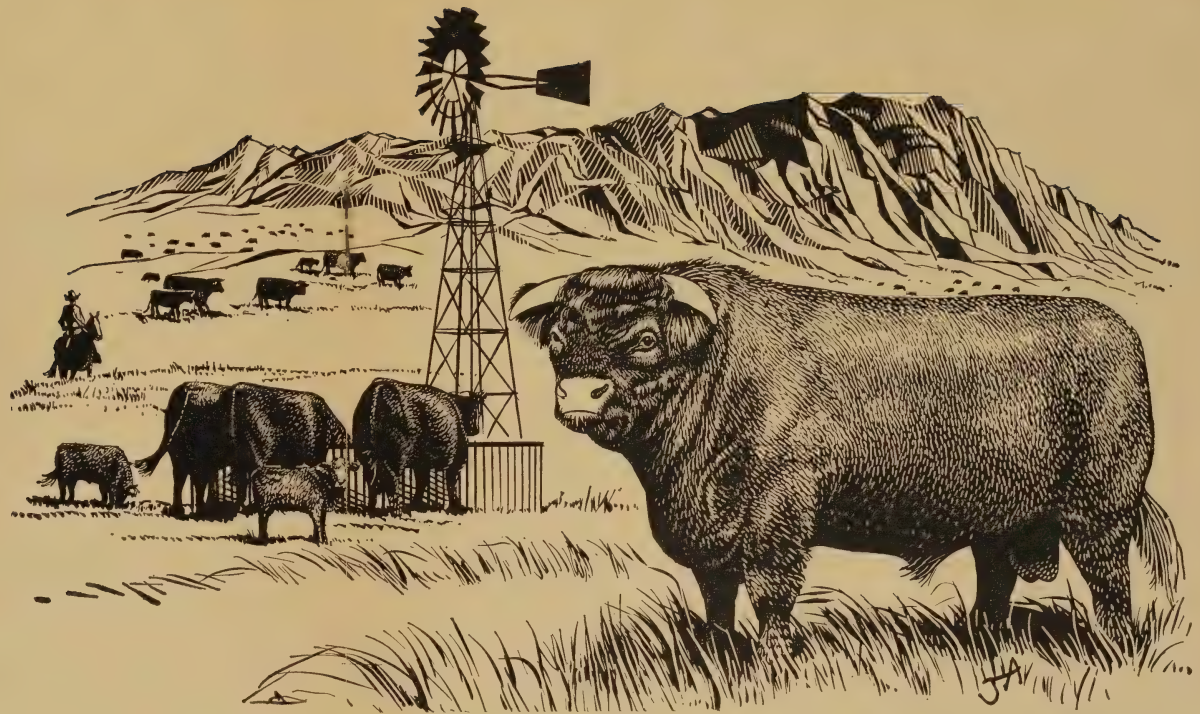

Louisiana State University tests show Shorthorn crosses with Angus and Herefords were superior to the Angus-Hereford cross in weaning weight, rate of gain, and carcass grade.

## More Weaning Weight . . .

A summary of 32 feeder sales in Virginia in 1962 revealed that Shorthorn steer calves averaged 12 lbs. per head more than the next closest breed at weaning age, and 18 lbs. per head more than the other main breed.

## Top Carcasses . . .

A 210-head study by the Quebec Department of Agriculture proved that Shorthorns mature earlier and produce a higher carcass grade than blacks or whitefaces.

## More Valuable Calf Crops . . .

The Virginia Feeder Sales also prove that Shorthorn calves bring more dollars at sale time. In 1960 the Shorthorn advantage was \$10.67 per calf. In 1961 the Shorthorn advantage was \$6.00 per calf.

## Superior Gaining Ability . . .

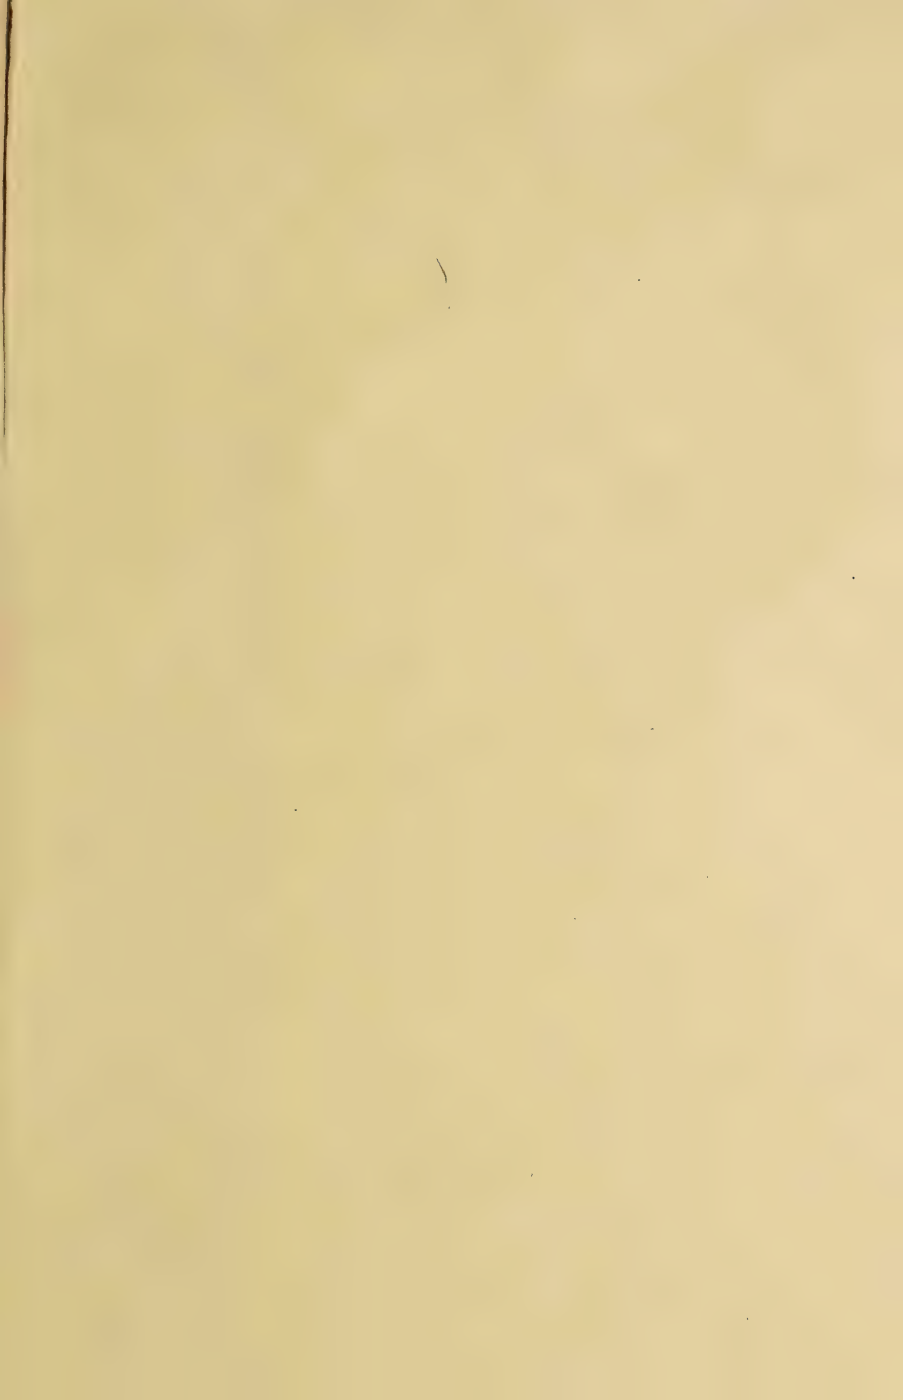

Shorthorns have topped the Kentucky Performance Tests for three straight years. Their most significant advantage was in average daily gains. Shorthorns also scored the highest average gains for eight straight years in the large Front Royal, Virginia, Performance Tests.

## Better Quality . . .

The 1962 Virginia Feeder Sale summary showed that 49 per cent of the Shorthorn calves sold graded fancy and choice as compared to only 35 per cent of all calves sold. In the Kentucky Performance Tests for 1959, 1960 and 1961, Shorthorns had the highest type score of all breeds.
